## PROFESSIONAL SUMMARY

As a Software Engineer at NatWest, I focus on developing and deploying innovative software solutions that drive the bank's digital transformation. My work involves collaborating with cross-functional teams to design, implement, and optimise applications that meet business needs and enhance customer experiences. With a strong foundation in software engineering principles and an ISTQB industry-standard certification, my goal is to excel in the field of software engineering and to tackle the evolving challenges within the tech industry.

## TECHNICAL SKILLS

**Languages:** Python, JavaScript, Java, C#, SQL, HTML, CSS  
**Frameworks & Libraries:** Django, Express.js, Vue.js, React.js, Bootstrap, Jest, NUnit, Selenium, Cucumber  
**Developer Tools:** Git, GitHub, Npm, Node.js, SQLite, PostgreSQL, Railway, Postman

## WORK HISTORY

- |  |   |
|--|---|
| <b>Graduate Software Engineer</b><br><i>NatWest Group</i>  | Sept. 2024 - Present<br><i>London, UK</i>   |
| <ul style="list-style-type: none"><li>Collaborated closely with cross-functional teams to develop and deploy secure, scalable software solutions that enhance NatWest's digital banking services</li></ul>   |   |
| <b>Graduate SDET Consultant</b><br><i>nFocus Testing</i>   | Jan. 2024 - Aug. 2024<br><i>Remote, UK</i>  |
| <ul style="list-style-type: none"><li>Developed and automated test scripts using Selenium and Playwright, with TypeScript as the primary programming language, to ensure comprehensive test coverage and reduce manual testing efforts</li><li>Implemented functional, regression, and end-to-end tests, significantly lowering the time required for test execution and increasing the efficiency of the testing process</li></ul>              |   |
| <b>Web Developer Trainee</b><br><i>La Fosse</i>  | Oct. 2023 - Dec. 2023<br><i>London, UK</i>  |
| <ul style="list-style-type: none"><li>La Fosse Academy, an award-winning training academy that supercharges technology careers. During an intensive 12-week course, students learn technology fundamentals</li><li>Engaged in hands-on learning and real-world projects, including building applications, working with databases, and following Agile development practices, demonstrating practical knowledge in software development</li></ul> |   |
| <b>Java Demonstrator</b><br><i>Queen Mary University of London</i>   | Sept. 2022 - Dec. 2022<br><i>London, UK</i> |
| <ul style="list-style-type: none"><li>Assisted lecturers in delivering engaging and informative lectures, fostering a conducive learning environment</li><li>Provided individualised support and guidance to first-year students in procedural programming module, providing debugging and problem-solving support in lab sessions</li></ul>   |   |
